

# Your School Stars

**Aries 21<sup>st</sup> March – 20<sup>th</sup> April**

You're puzzled about something whether it is about romance, finance or family matters. Don't worry because a dose of listening to "Aga Doo" will soon cheer you up...or drive you insane (the latter is more certain). Remember to smile this month because it might never 'appen!  
**Lucky Day:** 6<sup>th</sup> June  
**You will find love in:** the H block

**Cancer 22<sup>nd</sup> June – 23<sup>rd</sup> July**

Being the romantic person that you are, I believe you will enjoy having a secret admirer around in the next few weeks. Maybe they will declare their love for you whilst reciting a poem on top of the bag racks in the quad. Or he/she will write a message of romance on an interactive whiteboard?  
**Lucky Day:** 21<sup>st</sup> June  
**You will find THAT person:** in D5 (maybe a bit too accurate)

**Libra 24<sup>th</sup> September – 23<sup>rd</sup> October**

As an open-minded Libra you've always had a slight interest for the occult. Sorry to disappoint you but I'm a phoney. You KNEW that, it's as obvious as the botched attempt to plaster the upper gym walls. You will be well prepared for a very fortunate event in your life soon  
**Lucky Day:** 23<sup>rd</sup> June  
**You will rediscover yourself through:** reading "Inside Mark" (highly unlikely I must add)

**Capricorn 22<sup>nd</sup> December – 20<sup>th</sup> January**

You feel you should be part of a team at the moment (scrabble club perhaps or maybe not). However, a question that has been playing on your mind lately will soon be answered!  
**Lucky Day:** 18<sup>th</sup> June  
**You will take delight in:** sipping tea and eating freshly made scones

**Taurus 21<sup>st</sup> April – 21<sup>st</sup> May**

I sense you feel others are speaking a different language to you, maybe because you've spent too much time with Madame Knight and Mrs Cooper. Anyway, you should be looking out for number one in life right now because things are going to change...  
**Lucky Day:** 10<sup>th</sup> June  
**You will find romance in:** the quad

**Leo 24<sup>th</sup> July – 23<sup>rd</sup> August**

Stop being so stubborn! You're almost as stubborn as the stains on the walls of D6! Just take a couple of minutes to relax. After all, you deserve it. Stand aside and let others do their own work.  
**Lucky Day:** 11<sup>th</sup> June  
**You have a light-hearted argument with:** one of the dinner ladies

**Scorpio 24<sup>th</sup> October – 22<sup>nd</sup> November**

Woah! Warning! You're especially fiery this month, more so than the food they serve in the canteen (a compliment!). Something has changed and although you may not like it to begin with, it will progress into something great over time.  
**Lucky Day:** 8<sup>th</sup> June  
**You will soon get fed up of:** The Pussycat Dollz (surely impossible)

**Aquarius 21<sup>st</sup> January – 19<sup>th</sup> February**

According to Native Americans they didn't live in Tepees because "house prices soar like eagle". You will give some knowledgeable guidance to an associate and they will appreciate it very much.  
**Lucky Day:** 14<sup>th</sup> June  
**You will experience:** dé-jà vu. **You will experience:** dé-jà vu. **You will experience:** dé-jà vu.

**Gemini 22<sup>nd</sup> May – 21<sup>st</sup> June**

You can't have it all in life (that includes the Ferrari, mansion and the dashing ginger toupee). But you know that because you're clever being a Gemini and all. This month you will find out something that will make you look at things from a different angle...  
**Lucky Day:** 9<sup>th</sup> June  
**You will be enlightened:** in the C block toilets

**Virgo 24<sup>th</sup> August – 23<sup>rd</sup> September**

New events are on the horizon, such as your annual bath. No just joking. Rather than smelling like the duty form cupboard you are on top form! But a situation involving a mysterious bald stranger will change your life...forever.  
**Lucky Day:** 29<sup>th</sup> June  
**You will most likely infiltrate:** Mr Moore's potato farm

**Sagittarius 23<sup>rd</sup> November – 21<sup>st</sup> December**

Have you noticed that a few of the teachers don't use their interactive whiteboards? Perhaps you feel like these underused interactive whiteboards. Don't run yourself down this month just because you think you're unpopular. In fact it's very much the opposite!  
**Lucky Day:** 7<sup>th</sup> June  
**You will have much fun with:** your upcoming biology homework

**Pisces 20<sup>th</sup> February – 20<sup>th</sup> March**

You haven't had the time for daydreaming at the moment. No wonder! What with all the hard work you've been doing over the last month (or were supposed to do!). Those of you who like to indulge in a spot of culture...expect none of it from the queue for the canteen at lunchtime. That's all the wise advice I have for you!  
**Lucky Day:** 17<sup>th</sup> June  
**You will decide on purchasing:** a pair of custard-yellow flip-flops
